Through judicious acquisition of vineyards and an uncanny knack for developing iconic wines, Antinori has become Tuscany's – arguably Italy's – pre-eminent wine producer. The estate's two signature wines, Solaia and Tignanello, are produced from these vineyards and have been defined by the international press as “among the most influential wines in the history of Italian viticulture”. The Super Tuscan Tignanello was the first Sangiovese to be aged in barriques, the first contemporary red wine blended with untraditional varieties (specifically Cabernet) and one of the first red wines in the Chianti Classico region that didn't use white grapes. Tignanello is a milestone. It's produced with a selection of Sangiovese, Cabernet Sauvignon and Cabernet Franc. The 2015 Tignanello is beautifully ripe with fresh blackberry and cherryfruit, spice, leather, tobacco and smoke. Concentrated and solidly built, yet also harmonious, vibrant and pure.
